Speaker: Scott Ryfun, host of Straight Talk

(97.7FM / 1290AM WTKS - Savannah)

(98.7FM / 1440AM WGIG – Brunswick)

Scott Ryfun was born and raised in Brunswick. After graduating from Brunswick High School, he studied English at Florida State University, where he decided it was his duty to lend his voice to the conservative talk radio movement. After coming home, he entered the radio profession at the bottom of the ladder, part-time weekends. Eventually he progressed to Vice President of Programming for iHeart Media. After doing every radio job possible he finally got the chance to host a conservative talk show in 2012 and has remained at the top of the ratings and revenue for Brunswick ever since. In August of 2022, his program expanded into the Savannah market where it continues to enjoy robust growth. He has a son, Garrison, and wife of 28 years, J'Deane.
