A Note from our President

Susan Speros

Happy New Year and Happy New America! We have experienced a long miserable 4 years in our American history. However, it is over and now all Patriots, Republicans, and citizens of this country and this county need to get to work. My goal will be to serve the members of Chatham Area Republican Women and help us embrace the importance of conservative national patriotism, and a collective belief in We the People. We have a say. Our job will be to embrace President Trump's message, and to deliver a renewed excitement to the voters of Chatham County. I look forward to 2025 and the future of CARW. God Bless America!
