A Note from our President

Susan Speros

We are already halfway through the year MMXXV! May, June, and July are big months for celebrations. Memorial Day, Flag Day, and the Fourth of July. Coming up this month is Flag Day, June 14, 2025. Some very important people were born on Flag Day; my father George Speros,

President Donald J. Trump, and Marcia Kaney Smith to mention a few.

It took three presidents to get Flag Day on the government's radar – President Woodrow Wilson issued a formal proclamation for Flag Day in 1916, and President Calvin Coolidge did the same in 1927. But in 1949, Congress finally approved, and President Harry Truman signed the national observance of Flag Day on June 14 into law.

God Bless the USA and our American Flag!

ARE YOU A PATRIOT?

Benjamin Franklin on Good Citizens

"I am for doing good to the poor, but I differ in opinion of the means. I think the best way of doing good to the poor, is not making them easy in poverty, but leading or driving them out of it."
