A Note from our President

Susan Speros

Hello fellow Chatham Area Republican Women. I am writing this with a heavy heart. The recent assassination of the college, the family, and youth leader, Charlie Kirk, has touched the world in a way that many are now calling a Christian revival. Many are feeling a closeness to God and good.

"They killed Charlie because he preached a message of patriotism, faith and of God's love. If you thought my husband's mission was powerful before, you have no idea. You have no idea what you have unleashed across the country and this world... You have no idea the fire that you have ignited within this wife." - Erika Kirk

May Charlie Kirk continue to be the light in our hearts and may his light direct non-believers to God.

The Public Service Commission seats on the **November 4** ballot can be easily lost to the Democrat candidate because of poor GOP voter turnout. Chatham County GOP is planning a "Get Out to Vote" initiative.
