A Note from Our President

Susan Speros

The Peace President!

We have just witnessed an amazing feat, Peace in the Middle East. President Trump's presidency will truly go down as the New Golden Age for the entire world.

I am thankful he was able to stop the bloodshed and give the Middle East region some calm, some peace, some hope, and a new way forward with prosperity, not war.

In the upcoming elections, we need to focus on the New Golden Age of America and not look back on petty politics. We need leaders who embrace change and common sense and politicians who recognize smaller government, less taxes, God, family, and country.

Our November Speaker: Ron Stephens

Georgia House Representative of District 164

Ron Stephens is a pharmacist and politician originally from Lyons, Georgia. He has served in the Georgia House of Representatives since 1997.

Ron is the co-author of the first floating homestead exemption in Georgia, known as the “Stephens-Day Bill,” which effectively freezes property taxes for the homeowner. The exemption now applies in more than 70 taxing districts in the state.

*Our deepest sympathies go out to the families of **Hank Spencer**, husband of former CARW Secretary Cameron Spencer, and **Mary Anne Hornkohl**, former CARW member, who both passed away on Sunday, October 12th.*
